Vendor Package

Below is a list of our in-network vendors. Pick two vendors from the list and bundle with our floral and/or planning service in order to qualify for vendor package.

We are also open to recommend out-network vendors to brides to cater to their needs. We just won't be able to provide saving on those vendors. We are continuously looking out for best tier vendors and will expand our in-network vendors in the near future. If you want your preferred vendor be featured on this list please don't hesitate to recommend them to us.

Pricing Request Form

To price you the package we need to know:

1. The vendors you picked
2. How many hours of photography & videographer coverage do you need?
3. Do you need a second shooter for photography & videographer?
4. Do you need engagement session, if need, how many hours of coverage and which location? If need, do you need both the photography and makeup?
5. How many bridesmaids and mothers need style service? Both hair and makeup? (usually that's the case, but some brides want to save money so the makeup artist only takes care of hairstyle and let the bridesmaid/mother do makeup themselves)
6. How many style changes you need as the bride? (usually that is determined by how many dress you have)
7. We assume you need one style trial before the wedding, if you do not need it, let us know
8. Do you need the makeup artist standby at the entire wedding for style change and touchup? If so, how many hours of coverage?
9. Your Venue and your wedding date
10. Does your venue have a preferred vendor list? If so, please send it to us.
